Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

Situation Overview

- **California State of Emergency Proclamation**

On 03/04/20, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Global Health Advisory**

On 08/06/20, in close coordination with the U.S. Centers for Disease Control and Prevention (CDC), the Department of State lifted the Global Level 4 Health Advisory. The Global Advisory, initially put in place on 03/19/20, advised U.S. citizens to avoid all international travel due to the global impact of COVID-19. For more information visit: <https://www.state.gov/>.

- **State Executive Order N-33-20**

On 08/28/20, California introduced a blueprint for reducing COVID-19 in the state with revised criteria for loosening and tightening restrictions on activities by counties. Visit [Blueprint for a Safer Economy](#) for more information and to check the status of a county. This blueprint included a health equity metric to be used along with other metrics to determine a county's tier. The purpose of [Equity Metric](#) is to ensure California reopens its economy safely by reducing disease transmission in all communities.

- **CDPH Statewide Travel Advisory**

The California Department of Public Health (CDPH) has issued a new Travel Advisory superseding the 11/13/20 guidance. Californians should avoid non-essential travel to any part of California more than 120 miles from one's place of residence, or to other states or countries. Non-essential travelers from other states or countries are strongly discouraged from entering California, and if they do, should adhere to quarantine procedures. All persons arriving in or returning to California from other states or countries should self-quarantine for 10 days after arrival, except as necessary to meet urgent critical healthcare staffing needs or engage in emergency response.

CALIFORNIA 911 SYSTEM

California 911 Outages

| Northern California | Central California | Southern California |
|---------------------|--------------------|---------------------|
| No 911 Outages | No 911 Outages | No 911 Outages |

9-1-1 Outage/Remote/Community Isolation

Community Isolation, Tehachapi, Kern County (Update)

Final: Charter Communications has reported that an outage affecting 5,370 VoIP customers in Tehachapi (Kern County), CA (zip code: 93561) are no longer isolated. The cause of outage is due to Charter Network Fault and has been repaired. **Update #1:** The cause of outage is due to Charter Network Fault. No estimated time of restoral. **Initial:** On 03/14/21 at 1037 hours, Charter Communications has reported an outage affecting 5,370 VoIP customers in Tehachapi (Kern County), CA.

- Time Outage Started: 03/14/21, 2115 hours
- Time Outage Reported: 03/14/21, 2224 hours
- Time of Resolution/Restoration: 03/17/21, 1223 hours
- Total Outage Time: 3 Days, 3 Hours, 8 Minutes
- Jurisdiction Affected: Tehachapi (Kern County), CA (zip code: 93561)
- Reason For Outage: Charter Network Fault
- Wireless 9-1-1 Calls Impacted: No
- Wireline 9-1-1 Calls Impacted: No
- VoIP 9-1-1 Calls Impacted: Yes, 5,370

Community Isolation, Paramount, Los Angeles County (Initial/Update)

Update: AT&T as reported a Community Isolation affecting 64,719 Wireline and VoIP users in Paramount (affected zip code: 90723). No estimated time of restoral. **Initial:** AT&T as reported a Community Isolation affecting 64,719 Wireline and VoIP users in Paramount (affected zip code: 90723).

- Time Outage Started: 03/19/21, 1014 hours
- Time Outage Reported: 03/19/21, 1047 hours
- Time of Resolution/Restoration: TBD
- Total Outage Time: TBD
- Jurisdiction Affected: Los Angeles
- Reason For Outage: Ongoing Fiber Failure
- Wireless Users Impacted: No
- Wireline, VoIP Users Impacted: Yes, 64,719

CALIFORNIA 911 SYSTEM

9-1-1 Outage/Remote/Community Isolation (continued)

Community Isolation, Berkeley, Alameda County (Initial)

Initial: On 03/19/21 at 1722 hours, AT&T has reported a Community Isolation affecting 1,128 Wireline users in Alameda County (affected zip code: 94704).

- Time Outage Started: 03/19/21, 1109 hours
- Time Outage Reported: 03/19/21, 1142 hours
- Time of Resolution/Restoration: TBD
- Total Outage Time: TBD
- Jurisdiction Affected: Berkeley
- Reason For Outage: Unknown
- Wireless Users Impacted: No
- Wireline, VoIP Users Impacted: Yes, 64,719

Service Interruptions

- None reported

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Storm systems has moved into the state through Saturday.
 - Moderate to heavy snowfall possible in the mountains.
 - Isolated thunderstorms with small hail are possible along the northern coast on Friday.
 - Gusty winds are expected with the storms, especially in northern California on Thursday and southern California on Saturday.

SOUTHERN CALIFORNIA

- Nothing significant to report
